Alexander Turnbull Charity Fashion Event

Alexander Turnbull Charity Event. November 7th Country Park Inn, Hessle, East Yorkshire.

On November 7th, Alexander Turnbull and his talented and creative team at Alexander Hair and Beauty will come together with the Vintage Clothing Company to organize a charity fashion event; Crowning Glory. Held at the Country Park Inn, Hessle, all the models will be wearing wigs styled by Alexander; from every day wear to evening styles. All proceeds from the event will be split equally between Cancer Research and My New Hair, Trevor Sorbies Charity.

There will be a maximum of 300 tickets sold, and 50 to give away to nurses at Castle Hill Hospital cancer treatment facility and Mr Turnbull's clients who have suffered from hair loss. There will also be stalls selling and showcasing products; all of which aim to make women feel feminine again after such an ordeal.

Alex is massively passionate about this cause and his patients, and wants as many people as possible to get involved to help raise awareness and money of these worthy causes.
